<https://murena.io/s/58JnZGx9wjbwBD>

How the upload process works:

1st) Upload your file via the 'Select or drop files' button

2nd) After the upload, you'll see your uploaded file under the 'Select or drop files' button.

Please note! If you make changes in your presentation and you upload again, we'll take the freshest version of your presentation.

If you're unsure your file is really uploaded, please write an email to gfoe2024@grescho.de.
